

**Meeting Notice**

Scenic Foothills Community Council meets at 7 p.m. Thursday, September 3, at the Wayland Baptist University, 7801 East 32nd Avenue (access via Old Muldoon Road off 36th Avenue).

Special Announcements

Neighbors and parks volunteers worked with Parks & Beautification staff to address a list of “fix-its” from the Parks Report Card process. Volunteers thinned brush and trees and removed litter in Chugach Foothills Park. The volleyball court was re-lined and re-sanded and playground equipment was repaired. New park benches and bear-resistant trash containers were installed. Shrubs received a much-needed trim.

More than 100 neighbors and park volunteers celebrated their success at a Community Block Party, including a BBQ and games and activities for kids, on Tuesday, August 11th.

On Saturday, September 15th, Scenic Foothills Council hosted a community pot luck picnic, concluding Green & Clean, Safe & Secure Fix-it Week in Chugach Foothills Park.

Check the gallery pages of the web site for photos of the week's activities in the park and more:

President's Message

While none of us is ready to admit it, summer is drawing to a close. Schools start this week and Labor Day is only a couple of weeks away. We have had a great summer of enjoying being in Anchorage and Alaska. During it, the Scenic Foothills Community Council Executive Board has been busy visiting many of you at your front doors. We are doing this in an effort to invite you to participate at this most basic level of self-government and to identify common issues of concern across our council area.

Last weekend we held our first Neighborhood Pot Luck in Chugach Foothills Park to celebrate the great work accomplished there by the Municipality of Anchorage Parks & Recreation Staff and our volunteers. We plan to continue these efforts to identify community concerns and problems and to use this council forum to address them.

Historically, our council has been responsive to problems as they have developed and we have been effective in reacting and resolving those issues. As we move into the next decade, with leaner budgets and less resources to bring in from outside the neighborhood, we need to become more pro-active. We are seeking your help in identifying potential problems early on and solving as many as possible at the local neighborhood level.

Please join us at our next council meeting on September 3rd to learn what we found out from you and your neighbors and how we can continue to have a safe and secure community for raising our families, working, and playing together.

Mark Hill, President
Scenic Foothills Community Council
