East Side News

Northeast Community Council—our neighbors to the north of Scenic Foothills—led a creekside walk November 21 to rally support for a Muldoon Park Strip along Chester Creek. Scenic Foothills was well represented among the group that tromped through fresh snow from the old Alaska Greenhouse property along Muldoon Road to the Fort Richardson boundary on a frosty Saturday morning. We saw a beautiful salmon spawning stream, a huge beaver dam and pond and 12 acres of dedicated park land that may someday house ball fields. We invited NECC to recap the information at our meeting.

See the [Proposals page](#) on the Scenic Foothills Community web site for more information.
