

Our part of town—from the Tudor-Muldoon curve to the swerve onto the Glenn Highway—is named after Anchorage pioneer homesteader Arnold L. Muldoon. He put up a log cabin among the spruce trees near Northern Lights Boulevard in the winter of 1940. He packed the materials out on his back, along a muddy trail that became Muldoon Road. Seventy

years later, melting snow reveals a winter's worth of windblown litter swirled around the old homestead. In 2010, "Arnie's Army" volunteers to Spruce Up Muldoon. Here are some ways you can participate.

No household trash, yard clippings, hazardous waste such as car batteries or household cleaners—[more information](#).

May 6—Clean Sweep Celebration 5 p.m.-7 p.m. at Delaney Park Strip—[more information](#).

May 8—Muldoon Road & Arnold L. Muldoon Park: Pick up orange trash bags at Wayland Baptist University 9 a.m.; leave filled bags at Wayland parking lot or beside Muldoon Road for pickup.

Community members may also make use of the city's free dump days—[more information](#).

Got a free dump pass you don't need? (They are mailed with annual property tax bills.) We'd love to have it to lower the cost of roadside litter disposal after cleanup week's free dump days are over.

Bagging litter and hauling it away is just the beginning—next month: flowers—[more information](#).
