

Chester Creek realignment

A request that Chester Creek not be moved until the old Alaska Greenhouse property can be considered for a Muldoon Town Square Park / Muldoon Park Strip passed the Anchorage Assembly 6-5 February 28, 2012. Northeast Community Council and Scenic Foothills Community Council have passed multiple resolutions in favor of dedicating the municipal property along Chester Creek southeast of Muldoon Road and DeBarr Road intersection for a park. The planned realignment of the creek is not a good fit with the proposed Muldoon Town Square Park. More info: ilovemuldoon.org or search Facebook.

Our part of town—from the Tudor-Muldoon curve to the swerve onto the Glenn Highway—is named after Anchorage pioneer homesteader Arnold L. Muldoon. He put up a log cabin among the spruce trees near Northern Lights Boulevard in the winter of 1940. He packed the materials out on his back, along a muddy trail that became Muldoon Road. Arnold L. Muldoon Park, named in his honor, preserves a portion of his original homestead. You may have noticed some of “Arnie’s Army” of volunteers planting and tending flowers and working to Spruce Up Muldoon and clean up around Scenic Foothills before winter set in. Volunteers are always welcome to join in. There will be plenty to do when all this snow melts away!
