Our part of town—from the Tudor-Muldoon curve to the swerve onto the Glenn Highway—is named after Anchorage pioneer homesteader Arnold L. Muldoon. He put up a log cabin among the spruce trees near Northern Lights Boulevard in the winter of 1940. He packed the materials out on his back, along a muddy trail that became Muldoon Road. Arnold L. Muldoon Park, named in his honor, preserves a portion of his original homestead. You may have noticed some of “Arnie’s Army” of volunteers planting and tending flowers and working to Spruce Up Muldoon and clean up around Scenic Foothills before winter set in. Volunteers are always welcome to join in. There will be plenty to do when all this snow melts away!
