Only through your involvement and the unique perspective you contribute, will we become more aware of the multiple issues that affect our well being as a community. Together we can explore the variety of approaches and solutions that will eventually benefit each of us.

Our part of town—from the Tudor-Muldoon curve to the swerve onto the Glenn Highway—is named after Anchorage pioneer homesteader Arnold L. Muldoon. He put up a log cabin among the spruce trees near Northern Lights Boulevard in the winter of 1940. He packed the materials out on his back, along a muddy trail that became Muldoon Road. Arnold L. Muldoon Park, named in his honor, preserves a portion of his original homestead.

Woodcutting & Wildfires Mitigation, Arnold L. Muldoon Park: volunteers meet 5-8 p.m. Mondays and Wednesdays at 32nd Avenue and Creekside Drive to remove dead trees and excess fuels from the forest. Free firewood is stacked at trailheads. More information: e-mail to markhill@scenicfoothillssc.org or call 333-9935.
