

Thursday, December 6, Scenic Foothills Community Council Meeting

7 p.m. at Wayland Baptist University, 7801 East 32nd Avenue (via Old Muldoon Road off 36th Avenue)

President's Message—

Although the national, state and local political campaigns and elections are over, it's important to express a profound appreciation to all those who put themselves on the line and expended time, energy and resources to run for public office. I extend a heartfelt thanks to those who served their community as public servants. We continue to assess, prioritize and work as a community council by committing to establish a positive working relationship with those who continue in office.

—Alexander Monterrosa

Our part of town—from the Tudor-Muldoon curve to the swerve onto the Glenn Highway—is named after Anchorage pioneer homesteader Arnold L. Muldoon. He put up a log cabin among the spruce trees near Northern Lights Boulevard in the winter of 1940. He packed the materials out on his back, along a muddy trail that became Muldoon Road. Arnold L. Muldoon Park, named in his honor, preserves a portion of his original homestead.
