Scenic Foothills Commercial Property Planning: Playing a Role in Choosing the Future Owner of the TOTEM THEATER Property and FOOTHILLS STORAGE’s Retail Customers.

Nextdoor.com is a free and private social network just for Scenic Foothills neighbors. On Nextdoor, neighbors share crime and safety concerns, local events, recommendations, items for sale/free, information on missing pets, ideas about how to make our neighborhood better, and more. In January 2015, Scenic Foothills Community Council board members rather cautiously began an evaluation of **Nextdoor.com** as a way of interacting with more of our neighbors – the folks next door.

Several smaller neighborhoods were combined into one large Scenic Foothills neighborhood. We’ve since grown to almost 500 Nextdoor neighbors, close to the number on the SFCC e-mail list but with less than 25% overlap.

More than 1/3 of our Nextdoor neighbors participated in the Capital Improvements Project survey last spring and many more have been active on park safety, bike trails, bear awareness and other neighborhood issues.

Nextdoor.com is an effective way to interact with more people who are actively involved in our neighborhood issues. If you are not already participating, we suggest you consider becoming a Nextdoor neighbor as a way of keeping up on neighborhood concerns, whether or not you choose to attend the SFCC meetings.

Please join us on Nextdoor Scenic Foothills to build ourselves a better neighborhood. We also suggest you consider turning off some of the e-mail and notifications options, especially if you are using a smartphone.

E-mail newsletters: send your e-mail address to sfcc@alaska.net to get the freshest news! Or use the contact form on the website: <http://scenicfoothills.org/council/contact-form/>

All committees are open for membership and support. Committee chair **contact information** posted on website.

Our Scenic Foothills website info is moving to an easier to read, mobile-friendly website – the legacy website remains to preserve historic information, including newsletters, minutes, etc. An updated Capital Improvement Projects (CIP) page can be found under the “Council” menu.

Our part of town—from the Tudor-Muldoon curve to the swerve onto the Glenn Highway—is named after Anchorage pioneer homesteader **Arnold L. Muldoon**. He put up a log cabin among the spruce trees near Northern Lights Boulevard in the winter of 1940. He packed the materials out on his back, along a muddy trail that became Muldoon Road. Arnold L. Muldoon Park, named in his honor, preserves a portion of his original homestead.
